Data received

Back up data (specify location, type, etc)

Device can be recovered

Error description:

The company Servion assumes no liability for data loss. Data backup is the responsibility of the customer! The purchase receipt must be included in warranty cases; otherwise, processing may not be possible or will be delayed. For issues not covered by the manufacturer's warranty or guarantee, an estimate fee of currently €49 plus shipping costs will be charged. The same applies to cost estimates rejected by the customer. Software and/or user errors are explicitly not covered by the warranty or guarantee and are therefore subject to charges. Please refer to the manufacturer's warranty conditions for further details.

Informationen on data protection can be found in our privacy policy (www.servion.de/datenschutz).

I hereby agree to the general terms and conditions (www.servion.de/agb). (processing is not possible without consent.)
